

# 640J PTO

## ADVANCED DATA SHEET

## DETAILS

**Model Name** 640J PTO

**Model Title** 24" × 16" PTO Powered Jaw Crusher

**Category** Crushers

**Type** Jaw

**Brand** Barford

**Description** The Barford 640J is a PTO driven jaw crusher ideal for operators that have a tractor at hand. This machine is equipped with a 24" x 16" jaw and can be powered by any tractor over 100HP in power with a PTO. Because it is PTO driven, this unit is both substantially cheaper and a lot smaller than other crushers with similar capabilities.

## PROCESSED MATERIALS

- Rock
- Concrete
- Demolition Waste
- Asphalt
- Brick
- Cement
