

# HF-150

## ADVANCED DATA SHEET

**DETAILS**

<b>Model Name</b>	HF-150
<b>Model Title</b>	Small Cone Wood Splitter
<b>Category</b>	Cone Splitters
<b>Brand</b>	U.S. Pride Products

**Description**

Perfect for mid-sized skid steer loaders with standard flow hydraulics, the HF-150 is able to split logs up to 7' in length. With increased hydraulic power, splitting ability and speed compared to the HF-100 Mini, this cone splitter packs a major punch for those who need a more powerful solution. Perfect for tree care services, firewood processors and mulch producers, it's the ultimate all-rounder for those who take their log splitting seriously. The quick-connect hydraulic attachment & skid steer bracket makes it super easy to get started – simply attach it to your skid steer and you're ready to go! Don't waste time chopping logs the old way and get splitting with your HF-150 today. \*This U.S. Pride cone splitter is for standard flow only.

**PROCESSED MATERIALS**

- Wood
