

TAZ-280

ADVANCED DATA SHEET

DETAILS

Model Name

TAZ-280

Model Title

60" Shaft Tracked Slow-Speed Shredder

Category

Shredders

Brand

Franzoi

Description

The TAZ 280 Mobile Shredder – a robust dual-shaft, slow-speed shredder with 60" shredding shafts designed to take on a wide range of materials. From demolition debris, reinforced concrete, and bricks to asphalt, wood waste, furniture, pallets, windows, and even green waste, shrubs, branches, roots, and plastics, this machine handles it all effortlessly. With a capacity of up to 150 tons per hour, it's a reliable workhorse for various industries, offering efficiency and versatility in tackling all of your shredding needs. With minimized noise and vibrations, it operates smoothly and quietly. It's easy to set up and comes with large access maintenance doors. The TAZ 280 is easy to transport on a trailer or inside a 40" high cube container.

PROCESSED MATERIALS

- Waste
- Rock
- Compost
- Palm Trees
- Demolition Waste
- Brick
- Concrete
- Cement
- Wood

RECOMMENDED USE

Best For Demolition waste, concrete, wood, pallets, branches

Good For Asphalt, windows, roots, furniture

Not Built For Fabric and general waste

Best Loader Large excavator

OTHER SPECIFICATIONS

Engine Type Cummins Stage V

Engine Power 280 hp

Feed Height 8' 5"

Working Size (L x W x H) 31'6" X 8' X 9'6"

Transport Size (L x W x H) 25' X 8' X 8'6"

Max ton per hour 80-150 tph

Mobility Tracked

Hopper Capacity 3.3 cubic yard

Operating Weight 39683 lbs

Stockpile Height 9'5"

Size In Up to 50"

Size Out 1.6" - 4.9"

Tank Capacity 116 gallons

Power Source Diesel Hydraulic

Product Belt 2' 7"

Torque 154888 ft-lbs

FEATURES

- Dust suppression system with spray bars
- 2-way overband magnetic belt
- Wireless remote control operation
- Auto-reverse function to stop blockages
