

20SJ

ADVANCED DATA SHEET

DETAILS

Model Name	20SJ
Model Title	10"x20" Stationary jaw crusher
Category	Crushers
Type	Jaw
Brand	SMI Compact

Description	<p>The Model 20SJ is a 10"x20" stationary jaw crusher. Utilizing the same crusher as our Model 20TJ, this machine also has instant hydraulic adjustable jaws that allow output product sizes ranging from ¾" up to 3". Likewise, dust suppression is also standard on this machine.</p> <p>These crushers are also popular with landscapers, small builders/demolition companies, waste recycling and developers, as well as the agricultural sector. The Model 20SJ crusher can be powered by the use of hydraulic powerpacks or via the auxiliary hydraulic supply from a tractor, compact loader or similar plant. It is also fitted as standard with lifting points for a forklift. Please ask for details of hydraulic requirements.</p> <p>Utilize the Model 20SJ for small-scale crushing projects as a cost-effective method of avoiding disposal and haul-away fees. Simply move the crusher into position, plug in your hydraulic/electric power source and you are ready to crush in less than 5 minutes. The 20SJ easily crushes a variety of aggregate type products.</p>
-------------	--

PROCESSED MATERIALS

- Construction waste
- Rock

RECOMMENDED USE	
Best For	landscapers, small builders/demolition companies, waste recycling and developers, as well as the agricultural sector.
Good For	Crushing small pieces of concrete, aggregate, tile waste indoors
Not Built For	Large pieces of aggregate or very hard materials like granite, asphalt in warm environments or for millings
Best Loader	Excavator loaded or can be loaded by hand

KEY SPECIFICATIONS	
Operating Weight	3,637 lb
Size Out	0.75 "- 3 "
Ton per hour	17 - 22 tph

OTHER SPECIFICATIONS

Jaw Size	10 " X 20 "
Mobility	Static
Power Source	Diesel Hydraulic
Working Size (L x W x H)	9'10" X 2'6" X 5'2"

FEATURES

- 16" product belt conveyor
- Dust suppression system
- Hydraulically adjustable jaws;
Hydraulically reversible jaw
- Can mount on skid steer, the
ground or a trailer
- Popular with landscapers, small
builders/demolition companies,
waste recycling and developers, as
well as the agricultural sector
- Fitted as standard with lifting points
for a forklift
- Easily crushes a variety of
aggregate type products
